### Ben Crowe Master Luthier and founder of Crimson Custom Guitars

Initially trained and qualified in classical instrument making, Ben was eventually drawn to the building of electric guitars and the creative scope they offer. He's built up a huge following on YouTube thanks to his world-class Luthier skills and innovative ideas and approaches.

### David Lowe Professional Woodturner and Tutor

David is a highly respected and well known turner, being a member of the Register of Professional Turners and having many years of teaching and experience under his belt. He is in constant demand for his demonstrations and tuition courses which cover a wide range of woodturning ideas and styles.

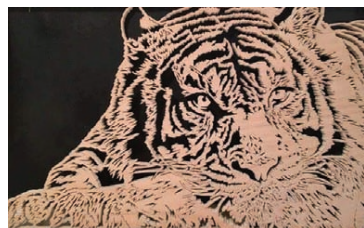

### Larry Chant of A Cut Above Hardwood Boards

As a highly-skilled flooring specialist, Larry spent his working life with wood and in retirement has developed his talents to create stunning and sought-after decorative hardwood chopping and serving boards, which sell worldwide.

### John Clothier Well-Known YouTube Woodturner

A talented and innovative woodturner, John's work is as creative as it is stunning. He is an advocate of a mixed-media approach which includes the use of gold leaf, resin, metal and more to create unique and inspiring contemporary pieces.

### Jamie Page Well-Known YouTube Scrollsawer and Podcaster

Jamie is an avid scrollsawer and turner, sharing his work on YouTube and is also a co-host of the podcast Makers International. Jamie is particularly well-known for his highly detailed and intricate scrollsaw projects.

### Craig Heffren Of Record Power

Craig is Record Power's resident bandsaw expert and well known international demonstrator. His industry-leading Bandsaw Masterclass is approaching legendary status on the worldwide show circuit and there's nobody better qualified to show you how to get the most from this incredibly versatile machine.

**Make a Pen for Free!**

The Surrey Association of Woodturners will be offering FREE pen turning tuition to show visitors!

All participants get to keep the pen they've made. Places are allocated on a first-come-first-serve basis so please visit the stand early to avoid disappointment.

### Stuart Pickering Of Record Power

Stuart is an expert woodturner and has been a familiar face at Record Power shows for decades, travelling the world to perform woodturning demonstrations and share his invaluable experience and skills. Coming to Record Power many years ago from the famous Coronet company of Derby, Stuart's knowledge of lathe manufacture and use is second-to-none.

### Surrey Association of Woodturners

Representatives from this well-established local woodturning club will be performing demonstrations throughout the show. They will also be available to discuss the club, its activities and the benefits of joining.
